Mr. R. F. Fraley
Executive Secretary
Advisory Committee on Reactor Safeguards
U. S. Atomic Energy Commission

Dear Mr. Fraley:

I am enclosing for your use a copy of the letter dated September 25, 1963, from Acting Secretary of the Interior Carver and the attached report on geology and seismology regarding the Bodega Bay site.

This copy does not include any of the photographs. Additional copies will be sent to you as soon as the photographs have been reproduced.

Sincerely yours,

(Signed) H. L. Price

H. L. Price
Director of Regulation
