Dr. Abel Wolman
Head, Department of Sanitary
Engineering & Water Resources
Johns Hopkins University
Baltimore, Maryland

Dear Dr. Wolman:

Transmitted herewith in accordance with our telephone conversation are copies of several reports released recently on the proposed Nuclear Power Plant at Bodega Head, California. As you now know, the Pacific Gas & Electric Company has withdrawn its application for a construction permit on this project.

Sincerely yours,

Richard L. Doan
Director
Division of Reactor Licensing
