Re: Transmittal of Draft of Comments on Bodega Bay Reactor

Dear Mr. Bryan:

Enclosed are two copies of the draft of my comments which I hope reach you in advance of your departure for our conference in Chicago on 2 July. I am sending one copy directly to Mr. Williamson.

I shall arrive in Chicago via Ozark Flight 736 at 5:40 p.m. on Monday, 1 July, and I shall come directly to the Holiday Inn. I expect that over dinner and afterward we can get our discussions taken care of in advance of the meeting on Tuesday.

I have to get a return flight at 5:00 p.m. on Tuesday afternoon.

With best regards.

Sincerely,

*N. M. Newmark*
