Office of Nuclear Material Safety and Safeguards  
U. S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Gentlemen:

Enclosed is our application for use of a soil densometer made by Campbell Pacific Nuclear. We would appreciate your expeditious review.

Please notify us that you have received this application and of any deficiency. We would like to receive the name and telephone number of a party we may contact to check on the status of our application.

Sincerely,

*Marvin Kirshner*
