Gentlemen:

SUBJECT: REQUEST FOR ADDITIONAL INFORMATION CONCERNING A MATERIAL LICENSE
APPLICATION (REFERENCE: 251518; 040-08944)

This refers to your letter dated March 5, 1987, requesting a license to possess depleted uranium metal as shielding for a linear accelerator. Your letter does not provide all the information needed for us to issue a license.

Enclosed for your guidance is a copy of our Form 313 and a copy of Regulatory Guide 10.4 dated April 1985. Please provide the information shown for Items 1 through 8, 11, 12 and 13 on Form 313. The information needed for each of these items is described in the enclosed guide. Please note the information requested herein is the minimal information needed for us to issue a license covering depleted uranium metal.

Our review of your application will continue upon receipt of the above information. Please provide two copies of your reply and reference Mail Control Number 251518.

If we do not receive a reply from you within thirty (30) calendar days from the date of this letter, we shall assume that you do not wish to pursue your application.

Should you have any questions concerning this matter, please contact me at (404) 331-7438.

Sincerely,

Paul R. Guinn
