Dear Mr. Rose:

Per your request of September 2, 1987, enclosed is a check for \$150.00 to cover a licensing fee to amend license number SUA-1139. You said the purpose of this license amendment would be to incorporate into the license our proposed surety for tailings basin reclamation described in Mr. J. D. Patton's letter of August 28, 1987.

If you have any questions on this letter, please feel free to call me at (307) 265-7600.

Yours Truly,

David M. Range  
Supervisory Reclamation Engineer
