August 16, 1971

Roger S. Boyd, Assistant
Director for BWRs
Division of Reactor Licensing

SUGGESTED AGENDA FOR ZIMMER SITE VISIT

The Subcommittee Chairman for the Zimmer Station suggests the following schedule and agenda for the August 27, 1971 site visit. This has been discussed with V. Stello.

- 9:00 AM - Meet at CG&E Corporate headquarters (SW corner of 4th and Main) for orientation presentation
- 9:30 AM - Depart for site
- 10:15 AM - Site tour
- 11:30 AM - Leave site
- 12:30 PM - Lunch
- 1:30 PM - Discussions with the applicant:
 1. Presentation (20 minutes) on differences between GE 1957 and 1969 product line.
 2. Discussion in areas related to the site.
- 4:00 PM - Depart for airport

Please notify the applicant that the Subcommittee discussions may get into areas in addition to those identified above.
