Gentlemen:

Please amend our materials license #21-24363-01 as follows:

1. Remove Y. Chung, M.D. as an authorized user of byproduct materials.
2. Those tests and documents required to be reviewed and signed by the Radiation Safety Officer per the revised (16 October 1986) IOCFR 35.50 and 35.59 will be reviewed by the RSO and/or a consulting medical physicist. If reviewed/signed by the physicist, all deficiencies and a summary will be reported to the RSO and the Radiation Safety Committee.

Enclosed find the amendment fee of \$120.00.

Sincerely,

OTSEGO MEMORIAL HOSPITAL
