

APR 15 1964

R. P. Fraley, Executive Secretary
Advisory Committee on Reactor Safeguards

Robert Lowenstein,
Assistant to the Director of Regulation

MEETINGS - BODEGA BAY ATOMIC PARK

50-205

This will confirm our conversation in which you indicated that you will be able to furnish to me by early next week a listing of meetings of ACRS, Regulatory Staff and PG&E.

I would appreciate it if your list would also indicate whether the particular meetings were "ACRS", "ACRS Subcommittee" or "Regulatory Staff".

Thanks.
