RE: NUCLEAR LICENSE FOR OPERATION OF NUCLEAR GAUGE #37-07983-07  
MAIL CONTROL NUMBER 09335

Gentlemen:

All maintenance will be performed on the nuclear density gauge by the manufacturer, Troxler Electronics. They will maintain the nuclear source and repair and replace as necessary at their approved factory in Research Triangle Park, North Carolina.

I hope this meets all requirements for our license renewal.

Very truly yours,

Jay Beratan, P.E.  
Construction Engineer Supervisor
