Dear Dr. Joshi:

SUBJECT: FURTHER ACTIONS ON SHOW CAUSE ORDER  
AND CONFIRMATORY ORDER MODIFYING LICENSE

We have reviewed your response of January 15, 1987 to the Order to Show Cause Why License Should Not Be Revoked dated December 23, 1986 and your additional responses dated May 1, 1987 and June 8, 1987.

After careful consideration of your position, I have determined that, subject to the enclosed Confirmatory Order Modifying License, adequate cause has been shown why your license should not be revoked as proposed in the December 23, 1986 Order to Show Cause. This decision is based upon the determination that you have made improvements in your program to comply with license requirements, and that the specific plans and commitments as described in your responses and Section III of the enclosed Order, if implemented as described, are adequate to provide assurance that you will conduct future activities in compliance with Commission requirements.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed Order will be placed in the NRC's Public Document Room.

Sincerely,

James M. Taylor, Deputy Executive Director  
for Regional Operations
