Dear Jack:

This is to confirm our telephone conversation of this date pertaining to the Brand X License renewal (Control No. 460582).

We are presently putting together a new Procedures Manual which should satisfy all the points raised by Mr. Wilborn in his letter of November 13, 1986. We should have this completed and in your hands by no later than January 15, 1987.

Thank you for your assistance.

Best Regards,
