Docket No.: 030-10069
License No.: 35-15945-01
Mail Control No.: 460582

Gentlemen:

This refers to your correspondence requesting the renewal of your Material License No. 39-15945-01.

Since the Nuclear Regulatory Commission issues material licenses for 5-year periods, the renewal application should be complete in all respects and reflect your program at the time of the renewal. Therefore, you are requested to submit a complete up-to-date application, without reference to any previously submitted information, supplying all of the information as outlined in the enclosed guide.

In order to continue prompt review of your application, we request that you submit your response within 30 calendar days from the date of this letter. Please reply in duplicate and refer to your Mail Control No. 460582. Your current license will not expire until final action has been taken on the license renewal.

Sincerely,

Original signed by
