Gentlemen:

Attached, hereto, please find an application for Material License for a Troxler Model 3400 Surface Moisture/Density Gauge. Enclosed also is our check in the amount of \$230.00 to cover the application fee.

As we are currently behind schedule in putting this equipment in operation, we will do anything necessary to aid you in the processing of this application. If there are any questions or problems, please contact James King at (609) 737-3343.

Thank you for your cooperation in this matter.

Very truly yours,

PARSONS BRINCKERHOFF
