

KOCH REFINING COMPANY

February 12, 1988

U. S. Nuclear Regulatory Commission
Region III
799 Roosevelt Road
Glen Ellyn Illinois 60137

Gentlemen:

Please amend our license as follows:

Section 6A	Cesium 137
Section 6B	Americium 241 Beryllium
Section 7	Sealed Source
Section 8	See Condition 9
Section 9	For possession and use in

Kay-Ray devices which have been evaluated and approved
for licensing purposes and authorized for distribution
under a license issued by the Nuclear Regulatory
Commission or an Agreement State.

All other procedures and safety precautions remain unchanged.

Very truly yours,
