TERMS OF REFERENCE IN MARVIKEN DISCUSSIONS

I am enclosing draft "terms of reference" for instructions to the AEC representatives in the Marviken discussions. I would appreciate your comments by C.O.B. December 29, 1972.

Office of Government Liaison -

Enclosure:  
Marviken Terms of  
Reference

*Most of this is legal & contract type requirements and I have no comment on these items. I do think we should have an upper limit type number in mind for negotiating purposes unless the \$100,000 is our limit.*
