Gentlemen:

Enclosed is Amendment No. 02 to your NRC License No. 12-24846-01 in accordance with your request.

Please be advised that on June 1, 1987, Illinois became an Agreement State and your use of radioactive material within Illinois became regulated by the Illinois Department of Nuclear Safety. Therefore, we did not amend your NRC license to include your new "storage" location at 1046 Arlington Avenue, Decatur, Illinois. Your current NRC license only authorizes you to use material at temporary job sites anywhere in the United States where the U.S. Nuclear Regulatory Commission maintains jurisdiction for regulating the use of licensed material.

Please review your license carefully to assure that you understand and are in compliance with the terms and conditions contained therein. If you have questions, please contact our office at (312) 790-5625.

Sincerely,
