

MAY 19 1987

MEMORANDUM FOR: Eric S. Beckjord, Director  
Office of Nuclear Regulatory Research

FROM: Victor Stello, Jr.  
Executive Director for Operations

SUBJECT: CONTROL OF NRC RULEMAKING

By memorandum of February 13, 1984, "Control of NRC Rulemaking by Offices Reporting to the EDO," Offices were directed that effective April 1, 1984, (1) all offices under EDO purview must obtain EDO approval to begin and/or continue a specific rulemaking, (2) resources were not to be expended on rulemakings that have not been approved, and (3) RES would independently review rulemaking proposals forwarded for EDO approval and make recommendations to the EDO concerning whether or not and how to proceed with the rulemakings.

In accordance with this directive, the following proposal concerning rulemaking has been forwarded for my approval.

Proposal to initiate rulemaking, "Amendment to 10 CFR Part 20.305 (Disposal of Waste Oil by Incineration)". (Sponsored by RES - memorandum, Beckjord to EDO dated March 11, 1987).

I approve initiation of this rulemaking which should be issued in final form for implementation within one year. The NRC Regulatory Agenda (NUREG-0936) should be modified to reflect the status of this rulemaking.

Victor Stello, Jr.  
Executive Director  
for Operations
