Ms. Edwyna G. Anderson, Commissioner
Public Service Commission

Dear Commissioner Anderson:

Thank you for your letter of June 18, 1987 regarding the summer committee meetings of the National Association of Regulatory Utility Commissioners (NARUC) in San Francisco.

I now find that my schedule will not permit me to attend the July meetings and have informed Peter Bradford that Harold Denton, Director of NRC's Office of Governmental and Public Affairs, will attend the committee meetings. Accordingly, I am taking the liberty of providing your letter to Harold for his use in preparing for the meetings.

I should point out that in Harold's new assignment he has supervisory responsibilities for all international and state programs, as well as for congressional and public affairs. He reports directly to the Commission and has our greatest confidence.

I sincerely regret that I will be unable to be with you in July. I shall look forward to participating in future NARUC committee meetings.

With kindest regards,

Sincerely,

Lando Zech
