

A Complete Non-destructive Testing Service Company

November 20, 1986

U.S. Nuclear Regulatory Commission  
Region III  
Materials Licensing Section  
799 Roosevelt Road  
Glenn Ellyn, IL 60137

Gentlemen:

Akron Industrial Services, Inc. is changing its location of operations in order to provide their customers with better service. Our new address is 6112 Knapp Rd., Ravenna, Ohio 44266-8807. The new telephone number is (216)296-7737.

The area that we shall store our radioactive material, License No. 34-24673-01, will be at our new address. Enclosed you will find drawings of the storage cabinet and its location in our facility. The drawing also indicates all adjacent areas, including entrance ways into the building. The cabinet shall be surrounded on three sides by 8" x 16" concrete block (see drawing). The cabinet shall be properly posted and kept locked at all times in order to prevent unauthorized entry.

Enclosed is a check for \$120 to cover the fees for the license amendments. Please do not hesitate to contact me at (216)296-7737 if more information is needed.

Sincerely,

Mike J. Medal  
Radiation Safety Officer
