Gentlemen:

SUBJECT: CONFIRMATION OF ACTION LETTER

This is to confirm the conversations between Mr. Hugh Parris, NPPD, and Mr. Richard Bangart, NRC, Region IV, on February 28 and March 1, 1989. Based on these conversations, it is my understanding that NPPD is taking the following actions:

1. Pursuant to 10 CFR 73.71, report or log events a) that were identified as a result of inspection 50/298/89-06 for which no report had been made, and b) that are determined to require reporting after further NPPD review of disciplinary actions contained in security officer personnel files.
2. Complete training of security organization personnel on the reporting requirements of 10 CFR 73.71 by March 15, 1989.
3. Investigate the findings related to reporting of security events described in inspection report 50-298/89-06 to determine the root cause of the apparent violations, whether additional security events should have been reported, and what corrective actions have been or will be taken to ensure that conditions which led to failures to log or report do not recur.
4. Submit a summary of the findings resulting from the investigation described above to this office within 45 days of your receipt of this letter.
