Gentlemen:

SUBJECT: SCOPE AND OBJECTIVES FOR 1987 PLANT HATCH EXERCISE
DOCKET NOS. 50-321 AND 50-366

Thank you for your submittal of the Plant Hatch 1987 Emergency Preparedness Exercise Scope and Objectives scheduled for December 8, 1987. The submittal appears to satisfy the minimum requirements for a full scale exercise. We note that the annual medical and fire drills will be concurrent with the exercise. The staff is considering observing these activities, if time and resources permit.

We will review the complete scenario package when received, and if there are comments or questions regarding the details of the exercise, we will contact Mr. L. A. Hill of your staff by telephone.

If you have any questions on this matter, please let me know.

Sincerely,
