Gentlemen:

Enclosed is Amendment No. 03 to your NRC License No. 34-20187-01 in accordance with your request.

In accordance with the telephone conversation with Karen Klein on March 13, 1987, it was confirmed that your Ford Street address has been renumbered from 3845 Ford Street to 1360 Ford Street. It is our understanding that the physical storage of the portable gauges remains unchanged.

Note also that you are authorized to store portable gauges at 7320 Lower Huntington Road, Ft. Wayne, Indiana. It is our understanding that 201 South Thomas Road, Ft. Wayne, Indiana is not a storage location for portable gauges. If you wish to have the latter address added as a storage location for your gauges, please submit a diagram of the storage area of the gauges and include security provisions for prevention of unauthorized use or removal of the gauging devices.

Please review your license carefully to assure that you understand and are in compliance with the terms and conditions contained therein. If you have questions, please contact our office at (312) 790-5625.

Sincerely,
