REGULATORY DOCKET FILE COPY

Dear Jim:

Enclosed are copies of Burt Slemmons letter comments and questions dated November 25, 1979, and questions from Jim Davis (CDMG) dated October 4, 1979. In my opinion both sets of questions will help derive the maximum amount of information needed to complete our San Onofre review. The questions by Slemmons reflect most of the concerns of the NRC staff, as they were discussed with him in earlier information exchanges and meetings.

Sincerely,
