Gentlemen:

Subject: Inspection Report No. 50-289/88-29

During the period from December 3, 1988 to January 14, 1989, members of NRC Region I staff conducted routine safety inspections at your facility. We documented the results of that inspection in the enclosed report. After the conclusion of the inspection period on January 18, 1989, Mr. D. No response is required. Your cooperation in these matters is appreciated.

Sincerely,
