Gentlemen:

Subject: February 16, 1989 Management Meeting Summary

This letter transmits a meeting report which summarizes our discussions with you and other members of your staff during a meeting held in the NRC Region I offices on February 16, 1989. At that meeting you provided additional information concerning the updated schedule for completion of corrective actions on enforcement items previously identified at your Windsor Fuel Manufacturing facility. We found the meeting to be informative and useful in our understanding of your current corrective action completion schedules.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
