Dear Mr. Oliver:

I have this date filed the following documents with the Administrative Law Judge:

Settlement Agreement Between the NRC Staff and Licensee Concerning
Settlement of Civil Penalty Proceeding

Joint Motion to Terminate Civil Penalty Proceeding

ORDER (Approving Agreement Between the NRC Staff and
Licensee Concerning Settlement of Civil Penalty Proceeding)

I have also forwarded your client's check to the Commission's Office of Enforcement. Thank you for sending me the newspaper article which certainly explained the delay in your returning the above papers to me. I was sorry to read about your unfortunate experience but was glad to see that you quickly recovered without any serious complications.

Sincerely,

A handwritten signature in cursive script that reads "Bernard M. Bordenick".
