U.S. Nuclear Regulatory Commission
Attention: Mr. Marvin R. Peterson
Assistant Director for International Security -
International Program
Office of Governmental and Public Affairs
Washington, DC 20555

Dear Mr. Peterson:

Subject: LICENSE NO. SXNM02398

Because of changes in our R&D programs in West Germany, we request that you amend Export License No. XSNM02398 to include our Lingen Plant as both an intermediate and ultimate consignee. The ultimate end use is the same as is currently described in that license.

The name and address of the ANF Lingen Plant is:

Advanced Nuclear Fuels GmbH
Pollersand-Industriepark Sud
Postfach 1465
4450 Lingen / EMS, West Germany

We appreciate your prompt consideration of this request. Should you have any questions, please call me on (509) 375-8537.

Thank you for your assistance.

Sincerely,

C. W. Malody
