Lady and Gentlemen:

I enclose a copy of the Kerr-McGee comments on the Draft Supplement to the Final Environmental Statement related to the Decommissioning of the Rare Earths Facility, West Chicago, Illinois (NUREG-0904, Supp. No. 1). Please feel free to contact me if we can provide further information.

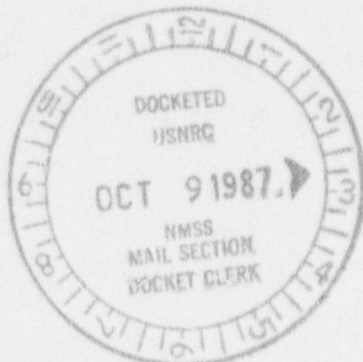

We would appreciate it if you would provide us with copies of any comments that are filed by others. In light of the fact that much of Draft Supplement is based on materials submitted by Kerr-McGee, we also request the opportunity to respond.

Sincerely,

Richard A. Meserve
