ACT REQUEST

FOIA-87-451  
Rec'd 7-17-87

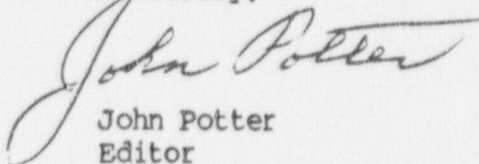

Dear Mr. Grimsley:

Pursuant to the Freedom of Information Act, I request copies of the records shown on the attachment. Should any records subject to this request be considered by the NRC to be personal records as distinguished from agency records, I request the identification of such records and the circumstances leading to their creation in order that I might challenge, if appropriate, the NRC's determination through the administrative and judicial processes.

In accordance with the Freedom of Information Act of 1986 (Pub. L. 99-570) and the Guidelines of the Office of Management and Budget, I request waiver of all search, review, and reproduction charges for records subject to this request for the reasons set forth in my letter to you dated June 25, 1987, which is incorporated herein by reference.

Please send any records subject to this request to the office address listed above. Please telephone me if you have any questions or require further information.

Sincerely,
