Subject: HOMICIDE INVESTIGATION----(UPDATE)

The Kewaunee County Sheriff's Department will announce today that a male security officer employed at the Kewaunee Nuclear Power Station will be charged with the first degree murder of a female security officer, also employed at Kewaunee.

The female guard was found stabbed to death in the home of another female guard on October 24, 1987. (See PNO-III-87-136)

The male guard's site access authorization has been suspended since October 24 when he failed to report to work. He is currently in police custody in a Green Bay, Wisconsin, hospital, apparently suffering from self-inflicted wounds.

The licensee is closely monitoring the performance of the Kewaunee guard force and intends to take a conservative approach to identify any potential impact this event may have on performance.

Region III (Chicago) is monitoring the licensee's course of action. The NRC's Information Assessment Team (NMSS) and the Safeguards Branch (NRR) have been kept informed of this event.

The State of Wisconsin will be notified.

Region III was informed of this updated information by the licensee at 11:30 a.m. (CST), October 29, 1987. This information is current as of 2:30 p.m. (CST), October 29, 1987.
