MEMORANDUM TO: L. Joseph Callan
Executive Director for Operations

FROM: John C. Hoyle, Secretary

SUBJECT: SECY 98-054 - COMMISSION RESOLUTION OF SIGNIFICANT
ISSUES ASSOCIATED WITH THE REVISION OF 10 CFR PART
35, "MEDICAL USES OF BYPRODUCT MATERIAL"

This is to advise you that individual Commissioners voted on SECY-98-054 but a staff requirements memorandum will not be issued since the paper and the issues it presented are included in and have been superseded by SECY-98-128 "Proposed Rule: Revision of 10 CFR Part 35, Medical Use of Byproduct Material," dated June 4, 1998. The Commission intends to address the issues raised in SECY 98-054 in the context of the new paper.

This completes action on SECY 98-054.
