Subject: Review of Rule 3701-39-021

Pursuant to our teleconference of April 29, I would appreciate your review and comment regarding Rule 3701-39-021 as proposed and sent to you by e-mail on April 28. I would appreciate your review by no later than May 28 if at all possible. We plan to present the rule to Public Health Council on May 28 and it would be very helpful to moving the rule through to enactment in mid August if we know and can make modifications in the rule prior to our initial presentation to the Public Health Council.

If you have any questions regarding the rule from a legal standpoint, you may contact Carol Ray at 614-466-4882. You may also contact me at 614-644-2727.
