(Seabrook Station Unit No. 1)

AFFIDAVIT

CHRISTOPHER NORD being duly sworn, hereby states the following:

1. My name is CHRIS NORD and I reside at
7 MEADOW LANE, EXETER NH I have personal
knowledge of the matters set forth.
2. I am a member of the Seacoast Anti-Pollution League and desire, and hereby
authorize, SAPL to represent me in proceedings before the Atomic Safety and

4. I have long been concerned about the safe operation of Seabrook station. Since I live within the 10 mile emergency planning zone, it is my understanding that I and my family are within the area that could not only be impacted by an accident at Seabrook with off site consequences, but within an area in which the licensee is required to provide protective actions in that event.
5. Any license exemption, which, if granted, would have the effect of reducing the safety margins at Seabrook, would have an impact on me should an accident resulting from reduced safety margins, release radioactivity off site,
6. Accordingly, I believe I am a person directly affected by the proposed action.
7. I WORK IN & AROUND SEABROOK REGULARLY,
ALSO I SAIL ALONG THE NH. COAST
