Re: Limerick Generating Station, Units 1 & 2  
Docket Nos. 50-352 and 50-353

Dear Dr. Murley:

By letter dated October 30, 1987 we forwarded to you for filing with the Commission Amendment No. 87 to Philadelphia Electric Company's License Application in the above matter. That letter erroneously referred to Fire Protection Evaluation Report Revision 7. The letter should have referred to Fire Protection Evaluation Report Revision 9 which is the Revision which was forwarded with the letter. I would appreciate your noting this change to the October 30, 1987 letter and I regret any inconvenience this may have caused.

Very truly yours,

  
Eugene J. Bradley
