SUBJ: Special Nuclear Material License SNM-1305, Docket No. 70-1331

1. It is requested that the Special Nuclear Material License No. SNM-1305 be renewed. This license expires on August 31, 1982. It authorizes the possession and use of up to 30 Medtronic Model 9000 units, 60 Coratomic Model C-100 or C-101 units and 20 Cordis Model 184A units. To date, 14 Medtronic Model 9000 units and 2 Coratomic units are in use and no Cordis 184A units have been used.

2. Dr. Chardack, Dr. Gage and Dr. Bhayana are participating in the clinical evaluation of nuclear-powered cardiac pacemakers. These Doctors are familiar with the Medtronic, Coratomic and Cordis protocols and understand that they must be followed.
