Gentlemen:

Subject: Routine Inspection No. 87-001

On September 15, 1987, Mr. R. H. Ladun of this office conducted a routine safety inspection at your Dansville, New York facility of activities authorized by the above listed NRC license. The inspection was limited to a review of your management control systems; training and qualification of personnel; and your operating and emergency procedures. The findings of the inspection were discussed with yourself at the conclusion of the inspection.

Within the scope of this inspection, no violations were identified.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. No reply to this letter is required.

Your cooperation with us is appreciated.

Sincerely,
