MEMORANDUM FOR: Hugh L. Thompson, Jr., Director  
Office of Nuclear Material Safety  
and Safeguards

FROM: Richard E. Cunningham, Director  
Division of Industrial and Medical  
Nuclear Safety, NMSS

SUBJECT: FINAL RULE - REGIONAL NUCLEAR MATERIAL  
LICENSING FOR THE UNITED STATES NAVY

The staff has revised the Final Rule package we submitted to you last week to address your concerns.

Two changes were made in the Delegation and Assignment memorandum - both in paragraph one. First, we deleted references to the earlier delegations. Second, we clarified the sentence which explains that the purpose of issuing this revised delegation is to regionalize responsibility for licensing of the U.S. Navy.

No changes were made to the rule itself, nor the Congressional letters.

Original Signed by  
Richard E. Cunningham
