Valley Alliance (SVA) and Three Mile Island Alert (TMIA)," dated November 20, 1987. Petitioners SVA and TMIA did not indicate, in their filing, which contentions were amended, and which were the same as those filed on October 29.

Licensee's comparison of the two statements of proposed contentions indicates that amendments were made only to Contentions 1, 4 and 5. Within Contention 4, the changes are limited to the former introduction, and the paragraphs previously labeled "a" and "c." Within Contention 5, the changes are limited to the introduction and paragraph "a."

This is to inform the Board that Licensee will not file a written reply to the amended contentions. The minor amendments made do not give rise to any changes in the positions expressed in Licensee's response of November 12, 1987.

Respectfully submitted,

Thomas A. Baxter
