Re: Docket 50-307
Bolsa Island Nuclear Power
and Desalting Plant

Dear Sir:

Regulatory Control File

Enclosed are 3 signed originals and 19 copies of a request to withdraw the application of the Department of Water and Power of The City of Los Angeles for a Class 104(b) License for Unit 1 of the Bolsa Island Nuclear Power and Desalting Plant. This withdrawal is requested as a result of the cancellation of the Metropolitan Utilities Agreement on September 30, 1968, which provided for construction of the Bolsa Island Project.

Copies of this request to withdraw the application are being mailed concurrently herewith to:

Hon. Alvin M. Coen
Mayor of the City of Huntington Beach
P. O. Box 190
City Hall
Huntington Beach, California 92647

David L. Baker
Chairman of the Board of Supervisors
of Orange County
Orange County Administration Building
515 North Syracuse Street
Santa Ana, California 92702

Very truly yours,

ORIGINAL SIGNED
