Dear Sirs:

Enclosed please find revisions to the WPI Physical Security Plan, which were made as a result of the recently completed renovations to Washburn Laboratories. There was no decrease in security as a result of the renovations, and the revisions to Sections 2.1, IV, and V are minor in nature. Figures 2 and 3 have been revised to reflect the renovations, and Figure 4 revisions consist of only telephone numbers.

The enclosed documents contain security and safeguards information addressed in 10CFR2.790(d) and we therefore request that they be withheld from public disclosure.

If we can supply further information, please contact us.

Sincerely,
