RE: Material License #24-04206-12MD

To Whom It May Concern:

Upon further review of our material license and corresponding application, we realized Steven Pugh, R.Ph. is not listed as an Authorized Nuclear Pharmacist. Notification, pursuant to 10 CFR 32.72(b)(5), was submitted identifying Mr. Pugh as an Authorized Nuclear Pharmacist via a correspondence dated January 19, 1995.

It appears some confusion may have occurred at the time of our December 16, 1996 correspondence submission. Numerous individuals were identified as Authorized Nuclear Pharmacists via this correspondence. Inadvertently, Mr. Pugh's name was not included with this submission. However, Mr. Pugh meets the requirements of 10 CFR 32.72(b)(2) and (4) and has been working at this nuclear pharmacy for approximately 8 years.

In order to clarify the above issue and to eventually have Mr. Pugh's name added to Condition 11A(2) to our material license, this notification is provided at this time. Hence, in accordance with 10 CFR 32.72(b)(5), documentation is attached verifying training and experience for Steven Pugh, R.Ph.

Please contact me at the above for further information. Your assistance is greatly appreciated.

Sincerely,

*Sue Shrum*
