Document Control Branch
Division of Information Support Services
Office of Administration and Resource Management

FROM: John N. Hannon, Chief
Operator Licensing Branch
Division of Licensee Performance
and Quality Evaluation
Office of Nuclear Reactor Regulation

SUBJECT: NOVEMBER 23, 1987 PUBLIC MEETING ON REQUALIFICATION EXAMINATIONS

Enclosed is a transcript of a public meeting held with industry representatives on November 23, 1987, to discuss progress on the development of a revised requalification examination program. The meeting also provided a forum to discuss industry concerns regarding implementation of the revised program to ensure that appropriate action is taken to strengthen the examination process and minimize any potential adverse impact on safety. Please process this transcript on the Document Control System and make it available in the central files and in the Public Document Room. By copy of this memo, we are requesting Jean Rathje to put this transcript on public display immediately.
