Re: Freedom of Information Act Request

Dear Sirs,

Under the provisions of the Freedom of Information act, 5 U.S.C. 552, I am requesting access to information of the nuclear leak at Three Mile Island. Any information possible that you can provide me with would be greatly appreciated.

If there are any fees for searching for, or copying, the record I have requested, please send me a bill accompanying the information. I am requesting this information because the topic of nuclear energy is very important and I wish to know more about it.

If all or any part of this request is denied, please cite the specific exemptions that you think justifies your refusal to release the information, and inform me of the appeal procedures available to me under the law. I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 days, as the law stipulates.

Sincerely,

Greg Jacobson
