OUTSTANDING LICENSING SUBMITTALS

Gentlemen:

Enclosed for your information and use, please find updated listings of those items of correspondence with the NRC to which a written response is expected. Enclosure 1, tabulated chronologically by Georgia Power Company's submittal date, lists items which are ready for closure. Enclosure 2 prioritizes the five most significant outstanding submittals in terms of value to Georgia Power Company. Enclosure 3 is a listing of those items requiring submittal of additional information by Georgia Power.

Georgia Power is prepared to discuss modifications to these status reports and will promptly address any questions you may have regarding these licensing issues.

Sincerely,

  
for L. T. Gucwa
