---

<sup>1</sup> Under our initial prehearing order, a time extension motion must be filed no later than three business days before the deadline in question and a response to such a motion is due the next business day. See Initial Prehearing Order at 10-11. In this instance, however, because (1) the extension motion was filed significantly before the time deadline in question; and (2) the motion raises issues that concern the overall conduct of this proceeding, we will provide additional time for a response.

<sup>2</sup> Copies of this memorandum and order were sent this date to counsel for applicant Baltimore Gas & Electric Co. and for petitioner NWC by Internet e-mail transmission; and to counsel for the NRC staff by e-mail through the agency's wide area network system.
