Management

FROM:

Ellis W. Merschoff, Acting Chief
Vendor Inspection Branch
Division of Reactor Inspection and Safeguards
Office of Nuclear Reactor Regulation

SUBJECT:

VENDOR NAME CHANGE

We have been recently informed that the Breda Termomeccanica company has changed its name, but has neither changed its address nor its type of ASME pressure vessel business. Please modify the vendor distribution data base and white book distribution list to reflect the company's new name and correct correspondence address as listed below:
