Dear Sir:

Enclosed please find "Application for By-product Materials License"
and fee request under category 3E of \$190.00.

Request is for new license since previous license expired.

Failure to check expiration date of license and no notification until
Mr. Lasuk called were reasons for this violation. In the future a
closer surveillance of this will be kept to ensure no future violation
will happen.

The instrument is in secure storage and will not be used until new license
is acquired.

Payment for license will be remitted directly from our business office.

When the license is issued please send a copy to my office so that I may
mention expiration date.

Thank you for your cooperation in this matter.

Sincerely,

Ralph Troeller
