MEMORANDUM FOR: Philip Ting, Chief  
Material Control and Accounting  
and Physical Security Section, Licensing Branch  
Division of Safeguards and Transportation, NMSS

FROM: M. D. Schuster, Chief  
Safeguards Section, NMSS Branch

SUBJECT: 10 CFR Part 70.32 CASE REVIEWS

Reference: Memorandum, E. W. Brach (NMSS) to J. L. Montgomery (RV),  
dated August 3, 1987 subject, as above.

In the referenced memorandum, E. Brach noted that we should make arrangements with you to transfer the five remaining FY 87 Region V licensing cases which, due to lack of sufficient resources, would otherwise remain as a backlog for next fiscal year. As LeRoy Norderhaug of my staff discussed with Don Joy of your staff, on August 17, 1987, enclosed herewith are copies of the original licensee's submittal letters.

We have informed the licensees of the status of their submittal. A copy of those letters are attached as well.

If you have any questions concerning this matter, please contact LeRoy R. Norderhaug, the reviewing official for these cases, at FTS 463-3775.
