Dear Sirs:

Upon review of the latest amendment (Amendment No. 7) to our materials license, I have noted that Item #10 has not been brought forward as stated in Amendment No. 5, Condition 10 dated January 3, 1985. I have been advised by your Mr. Stephen Courtemanche that this can be corrected at no cost to Lehigh Testing Laboratories. Please contact me if there are any questions regarding this matter.

Respectfully,
